

Tony S. Mudhar, MS

Safety, Health & Environmental (SH&E) Professional

22+ YEARS OF EXPERIENCE

Prior to joining Boretti, Inc., Tony worked as the Director of Health and Safety for Innovative Construction Solutions in Southern California where he revised their Occupational Health and Safety program and instituted an innovative Behavior Based Safety program. He conducted monthly safety meetings and training on construction and environmental topics. Tony has also worked as a Senior Project Manager, successfully completing remediation, industrial cleaning, and emergency response projects. At Boretti, Inc., Tony is a SH&E Professional that provides clients the service of maintaining regulatory compliance, while helping Boretti, Inc.'s diverse client base reach their business goals.
