

Allison Goodman, MS, CSP

Safety, Health & Environmental (SH&E) Professional

6+ YEARS OF EXPERIENCE

Allison possesses a widespread knowledge base in the field of Environmental and Occupational Health and Safety. Her experience includes conducting safety assessments, ergonomics evaluations, and writing safety programs. Before coming to Boretti, Inc., Allison gained a broad range of experience in the safety field by conducting numerous assessments, including the areas of hazardous waste, underground storage tanks, and food safety, while working as a government intern.

As a very determined and naturally driven person, Allison acquired her Associate Safety Professional designation (ASP), and within just 6 months, acquired her Certified Safety Professional (CSP) designation. Allison has earned a well-rounded education and applies this knowledge to her job on a daily basis.
