

J.T Parnell, MS

Director of Service Operations

11+ YEARS OF EXPERIENCE

J.T offers a rich background in the Safety, Health & Environmental (SH&E) fields as both a Safety Professional and Manager. With Boretti, Inc., J.T spent 5 years as an SH&E Professional where he evaluated client organizational needs, isolated areas for improvement, and implemented long-term service plans to assist clients in reaching their goals. As the Boretti, Inc. Director of Operations, J.T uses his experience to successfully analyze operations, increase efficiency, and create, improve, and implement strategies to meet distinctive business goals of Boretti, Inc. clients. J.T is also a prolific public speaker engaged in topics such as, “The Business Value of Safety,” and “Cal/OSHA Annual Update.” His current rotation involves talking on the Proposed Cal/OSHA Indoor Heat Illness Prevention Standard and California’s Prop. 65 requirements.

J.T is also very active with the American Society of Safety Professionals (ASSP) where he currently serves as the Region 1 Assistant Vice-President for Technology and Communications. Within the volunteer organization, he assists the 19 chapters of the region in areas related to; E-Commerce and Merchant Services; Mass Communication; Website Creation and Maintenance; and Cloud Storage and Document Organization.
