

Ted R. Leavitt, BS

Safety, Health & Environmental (SH&E) Professional

25+ YEARS OF EXPERIENCE

As a 28-year Navy veteran, Ted is an action-oriented professional with a broad knowledge of the safety, health, and environmental fields. Ted has managed U.S. Navy safety programs in Sasebo and Yokosuka, Japan, as well as in San Diego and NAS Lemoore, California. With maritime, aviation, and occupational safety experience, he has developed numerous training programs for the U.S. Navy, Department of Defense (DoD), and Boretti, Inc. clients. Experience includes NFPA 70E, Fleet Safety, Trenching, Industrial Trucks, Aerial Lifts, Confined Space, Li-Ion Electric Vehicle, (EV) Li-Ion Battery Disposal, Ergonomic Assessments, Job Safety Analysis, Fall Protection, Hazard Communication, and Fleet/Traffic/Motorcycle Safety. He has developed 4000+ individual Lockout/Blockout procedures and completed 250+ injury and motor vehicle investigations, completing trend analysis based on injury statistics. Ted is well versed in conducting assessments, inspections, and audits ensuring compliance with OSHA, Cal/OSHA, NFPA, U.S. Navy, and DoD standards.
