

Abel Varela

Safety, Health & Environmental (SH&E) Professional

5+ YEARS OF EXPERIENCE

As a member of the Boretti, Inc. team, Abel brings with him 5+ years of experience in health & safety in both General Industry and Construction industries.

Abel is a passionate, driven, and detailed individual with the ability to work with, and have a positive and effective rapport with people of different backgrounds and different levels within organizations from laborers and operators to managers and executives such as CEO's, COO's, and Regional Managers.

Before joining our team, Abel was a Bilingual Safety Manager for a recycling company where he was successful in team management and communication.

With his experience training in the area of Fall Prevention Education, Abel demonstrates great ability to recognize risks and hazards on a jobsite. Abel has also trained in forklift, freon recovery, emission control, and standard operating procedures.

As a member of our team, Abel strives to deliver exceptional service as a Safety, Health and Environmental Professional with Boretti, Inc. He is a safety professional with a sense of urgency and ability to work with limited resources to get facilities in compliance.
