

Martha Moore-Kazarian

Sr. SH&E Professional - Client Services

Years Experience: 35+

Martha gained her experience in Occupational Safety and Health working with companies in the Agricultural, Marketing, and Insurance fields. A former Risk and Compliance Manager, Martha successfully designed and implemented Occupational Safety and Food Safety programs while maintaining FDA, DOL, OSHA, EPA, CDPR, USDA, and CDFA compliance in the Large-Scale Farming, Food Defense, Recall, and Produce Safety areas.

As a former Operations and Safety Manager, Martha acquired an extensive knowledge of chemicals and fertilizers while she developed corrective action plans, conducted regular audits, designed plant flowcharts, shaped performance assessment protocols, and created inspection schedules.

As our Senior Safety, Health & Environmental (SH&E) Professional of Client Services, with a newly acquired Responsible Ag Auditor Certification, Martha utilizes her broad knowledge base of Occupational Safety to continue to excel in bringing clients above and beyond compliance.
