👤 PROFILE

Johnny is a highly skilled Health and Safety professional with over 20 years of experience in the industry. As a veteran of the United States Marine Corps, he brings a unique perspective to his work at Boretti.

Prior to joining Boretti, Johnny served as a Master Safety Trainer with expertise in Fall Protection, Control of Hazardous Energy, Cranes and Lifts, and Electrical Safety. He is also experienced in facilitating and monitoring safety training and behaviors.

Johnny is passionate about utilizing his expertise to develop, maintain, and administer safety, health, and environmental training programs, ensuring compliance with Federal, State, local, and corporate regulatory requirements.

He is a Certified Ergonomics Assessment Specialist (CEAS) and holds certifications in HAZWOPER, Hazmat, Incident Command, 70E, ISO 14001, and ISO 45001, making him a highly qualified trainer and auditor.

With a deep commitment to modern safety management practices and processes, Johnny is a valuable asset to the Boretti team, providing top-tier safety solutions to a diverse range of clients and industries.
