👤 PROFILE

Martha is a highly experienced Safety and Health professional with over 35 years of experience in the Agricultural, Marketing, and Insurance fields. She has worked as a Risk and Compliance Manager, successfully designing, and implementing Occupational Safety and Food Safety programs, ensuring compliance with regulatory agencies such as FDA, DOL, OSHA, EPA, CDPR, USDA, and CDFA.

Martha has also served as an Operations and Safety Manager, where she gained extensive knowledge of chemicals and fertilizers, developing corrective action plans, conducting regular audits, designing plant flowcharts, and creating inspection schedules.

Currently serving as the Senior Safety, Health & Environmental (SH&E) Professional of Client Services, Martha utilizes her broad knowledge base of Occupational Safety to bring clients above and beyond compliance.

With her newly acquired Responsible Ag Auditor Certification, Martha is well-equipped to help clients achieve their safety and environmental goals.
