PROFILE

As a member of the Boretti, Inc. team, Terrie brings with her over 36 years of safety, health and environmental experience. She has been a Safety Specialist, Manager and Director for global organizations in manufacturing and services organization before transitioning into managing self-insurance and captive risk pools for a variety of private, public and governmental organizations throughout the United States. As a results-oriented safety professional, she achieved success by providing and managing risk and injury prevention services such as safety inspections, risk management program audits, ergonomic evaluations, safety and security assessments, corrective action plans, and customized safety training. She has been recognized as Manager of the Year and developed the content for a Performing Arts Theater Safety Manual for the University of California Office of the President.

In addition to her work experience, Terrie's esteemed career includes volunteer leadership with the ASSP, where she's been Chapter President, Regional Vice-President, and President of the ASSP globally. In her ASSP roles, she's represented ASSP on the global stage and as a member of recognized organizations such as INCHPO. She is a Certified Safety Professional (CSP), has the Associate in Risk Management (ARM) designation, and is a Fellow for the American Society of Safety Professionals (FASSP).
